

## About Us

### The Leader in Unified Parking and Curb Management

By integrating parking, enforcement and payments into one software solution, Passport is the only platform that brings together the complexities of mobility operations into one view to help cities and operators improve decision-making and efficiencies.

From mobile payments to citation issuance, permitting technology and more, Passport is empowering cities of all sizes with better insights to improve parking turnover, expand revenue opportunities, and create more livable communities.

### Our Products

#### Parking

Simplify your parking payment management with mobile and digital payment options that scale

#### Enforcement

A cloud-based enforcement and citation management system that provides real-time access to insights and data

#### Permits

Digital permitting and meter bagging solutions that enable you to eliminate paper and manual processes

#### Payments

A cost saving and unified payments solution specially designed for parking and mobility

#### Curb Management

Define, understand, and optimize your curb so you can make data-driven decisions

#### Services

A comprehensive suite of premium services including training, support, marketing and programming

# How It Works

All data from our platform is aggregated in Passport's portal, providing insights that help clients make decisions and take action. The result is a more integrated, efficient and reliable parking and mobility infrastructure.

## Key Metrics

# 800+

Clients trust Passport

# \$2B

Mobility payments processed

# 50M

Active system users
