

Passport's Payment Solution

A Full-Service Payment Provider.

Passport's Payments solution is integrated with all Passport products, eliminating the need for third party gateways and merchant processors.

Passport is an expert in small transactions in the parking segment and has discounted rates in place across all major credit card networks to help: reduce fees, provide daily settlement and offer other premium services.

With the highest level of security and stability included, Passport provides its clients peace of mind through a best-in-class payments solution.

..... CORE BENEFITS

**Save Time
and Money**

**Enhanced Reporting
and Reconciliation**

**Safe and
Secure**
